The Honorable Mike Quigley

Subcommittee on Transportation,  
Housing and Urban Development,  
and Related Agencies

Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for the South Metro Atlanta Affordable Housing Project in Fiscal Year 2024. The entity to receive funding for this project is the Southern Crescent Habitat for Humanity, Inc, located at 9570 Tara Blvd Jonesboro, GA 30236. Southern Crescent Habitat for Humanity would use this funding to complete the Hannah Springs affordable housing subdivision. Specifically, funding would be used for engineering, permitting, final grading, water, storm water and sewer infrastructure, paving, and construction of 11 new homes, as well as repairing 40 homes, including structural improvements, roof replacements, and electrical or HVAC systems. It is a valuable use of taxpayer funds as it increases affordable housing and upgrades current homes to meet safety codes.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I nor my immediate family has no financial interest in this project.

Sincerely,

David Scott  
Member of Congress
